

PRESS RELEASE

Tradebe acquires two companies in the UK: Solvents with Safety Ltd (SWS) and Scooil Ltd Services

- *SWS is one of the leading distributors of packaged solvents in the UK*
- *Scooil is the leading provider of specialist environmental process and disposal services to the UK oil and gas industry.*

30th October 2014. We are delighted to announce two acquisitions in the UK: Solvents with Safety Ltd (SWS) and Scooil Services Ltd.

SWS is one of the leading distributors of packaged virgin and recovered solvents in the UK. From their operating facilities in Harworth, Doncaster, SWS offer a complete solution from solvent sales to blending and waste collection. In 2013 SWS distributed in excess of 7,500 tonnes of solvents, with total revenues of £7.7M, and employ 35 people.

Scooil is the leading provider of specialist environmental process and disposal services to the UK oil and gas industry. Based next to Aberdeen Harbour, Scooil provides efficient services to all of the UK operators, drilling, and service contractors covering equipment specialised decontamination, on and off-shore Radiological Protection Supervision (RPS) services and sales, repair and calibration of radiological instrumentation. Scooil revenues in 2013 were over £8M and employ 54 people.

The SWS acquisition enhances our presence within the European solvent market, whilst Scooil increases our offerings to the oil and gas industry. Overall, our position as UK leading providers of hazardous waste treatment, disposal and resource recovery services has further been reinforced with revenues in excess of £100M, 27 operating facilities and 825 employees.
